Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 0400 on Thursday 08 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly dry and bright, isolated showers in the afternoon.

Today:
It will be a mostly dry day with some bright or sunny spells. Cloud will build up in places in the afternoon, perhaps bringing the odd shower to northern Tayside and Angus. Maximum temperature 22 deg C (72 deg F).

Tonight:
Cloud increases with the best of any clear spells across the southwest. Showers become confined to the coast at the start of the night, dying out in the early hours. Minimum temperature 12 deg C (54 deg F).

Friday:
Rather cloudy, but some bright or sunny spells too. Some heavy showers are likely inland in the afternoon and evening. Maximum temperature 22 deg C (72 deg F).

Outlook for Saturday to Monday:
Showers breaking out by day, these heavier and more widespread then the last couple of days. Haar will affect the coast at times. Quite warm in the sunnier spells.
